Principal's Message

Oh my goodness, it's June! And not only that, but I personally am entering my last month here with you at Auguston 😞 Four years has flown by but that just goes to show that time does fly when you are having fun! We've learned and grown a lot together over my time here and I hope that I've done well and left my mark on the school in a positive way. I will miss the supportive group that makes up our community – parents, staff and students – and will look back on my time here with fondness and joy. We've worked through some tough stuff, but we've also experienced some great joy and that is where my heart soars in knowing that we found greatness together.

The next few weeks are packed full of events, field trips, testing and preparing those final learning updates – and also some learning and our usual routines in there, too! June is always a busy month in schools as we sum up our learning for the year and celebrate our achievements together.

Some updates and important information are included below 😊

Yearbooks

Our 'Diary of a School Kid' yearbooks are coming soon. We've seen the proof and it looks great! Huge thanks to our PAC mom Sarah who did an amazing job of pulling it all together for us! Thanks also to our PAC who will provide a free copy to each of our grade 5 students!

There is a limited supply of yearbooks available for those who missed the deadline: soft cover only for \$30 on a first come, first served basis. Please contact the office if you missed the order deadline and would still like one:

Run for Water

What an amazing event we had last month to raise funds for the local Run For Water campaign. Even through the rain, we had a great run and raised \$2000 as a school to donate to this worthy cause. Way to go, Auguston!!

One Book One School

Unfortunately, this memorable event had to be cancelled this year. We tried to get a couple of different titles here and in the hands of families, but it just didn't work out with our supplier. We are still working on purchasing books to be able to celebrate reading together in the fall – we will keep you posted!

Parking and traffic concerns

Our usual reminder about traffic and parking – with more students and families walking to school in the beautiful weather, we need to be mindful of our school zone and people moving within it. We appreciate your kindness and patience as we navigate our busiest times of the day - drop off and pickup. In order to move

everyone through these busy times safely and efficiently, we ask that everyone continue to follow a few simple traffic rules around our school:

- 1) We have 'no parking' zones along Stephen Leacock Drive that run from just before the fire hydrant above our parking lot to our crosswalk and bus loop entrance, and then again from just in front of the school drop off area to just past the school property line. These areas are typically blocked off by cones, but we ask that you respect those no parking zones at all times. These areas of no parking are designated as they lead up to our crosswalks and it gives drivers clear sight lines that allow them enough time to stop safely at each crossing. Student safety is a priority for us and we appreciate your help out there.
- 2) **There is also a 'no stopping' rule in both of our bus loops.** A number of people will say 'I'm not stopping' or that they are there 'just for a minute'. If you have to stop longer than the time it takes your child to get in or out of the vehicle, we ask that you do another loop to allow those behind you to get through. If your child needs your help to get in or out of your vehicle, we ask that you find a parking space in the lot. If your child is not there ready for you at pickup, please circle around to allow others to get through and out as well.
- 3) The busses can slow us down as they take a bit longer to load or off-load, but they usually come a bit before or after the bell to avoid backing things up in our bus loops. Thank you for allowing them a bit of extra grace as they safely pickup or deliver our students.

We appreciate your continued support in this and your kindness in dealing with all of our community safety needs.

Year-end assemblies and celebrations

Our year end assembly will be held on Thursday, June 25, at 9:30 am. If your child is receiving an award, you will receive an

invitation to attend. There will be limited seating for this assembly as we fill the gym with our classes and parents.

Our grade 5 students will have their own leaving ceremony on Wednesday, June 24 at 9:30 am. As there will be fewer students in the gym, parents of grade 5 students are invited to attend. Students in grade 5 receiving an award will get it at this assembly as well as being mentioned at the school wide assembly the next day.

Parents of grade 5 students are also planning grad celebration on June 19th.

See the [PAC Facebook page](#) for more information & on the website:

Summer Reading

The Fraser Valley Regional Library is holding an 'Under the Sea' reading program this summer. You can sign up [online](#) or at your closest FVRLibrary starting June 21, 2025. Track your reading all summer and you can be entered to win some cool prizes and reading medals!

Also available is a list of apps curated by our District Curriculum staff. Please see the list attached at the end of this newsletter.

Jump Rope for Heart

Update: we have surpassed our goal, but the site is still open to donate! Way to go Auguston!!

We have officially kicked off our Jump Rope for Heart event. We're excited to get active, learn healthy habits and raise funds in support of Heart & Stroke.

Please check your child's backpack for a [postcard](#) that includes more information and help us reach our school goal of \$1,000 by donating or fundraising online today: <https://jumpropeforheart.crowdchange.ca/114086>. Thanks for your support!

Pay for School Activities and Give Consent Online

Consent forms are **ONLINE** in [SchoolCash](#). Consent includes Request for Email Address Consent, Photograph/Video and Media, Permission for Off Grounds and for Field Trips.

We would like to encourage **ALL families** at our school to utilize the online option for consent & payments **EVERY** time! We are currently at **100%** Auguston (which is fantastic!) and **PLEASE USE the online option every time!**

**Grade 5 Celebration * UBC Research Forest field trip - Gr. 1s * Zoo field trip - Div. 13-15*

** Blue Heron field trip - Div. 8-10 *Waterpark Gr. 4/5*

**Kindergarten Supplies *Email Consent *Permission for Off Grounds *Photo/Media Consent*

**Damaged or Lost Library Books *No Uni for a Toonie*

Thank you to parents who have set up your schoolcash account and utilize this option. You will be receiving reminders and messages about new items being added to your child's 'cart' when field trips and other items arise. A suggestion is to purchase a **prepaid credit card** to make purchases if you are concerned about online shopping. The district site is a secure site which does not hold account information.

SchoolCashOnline limits the amount of cash/cheques handled in schools, reduces paperwork, and results in more focused instructional time in the classroom. The Abbotsford School District now uses SchoolCashOnline for all schools. With SchoolCashOnline, parents have the convenient and secure option of paying for school items using their credit card online, 24/7. You can pay for school items such as trips, club/athletic fees, and spirit wear. It will save you time too! **Register for Schoolcashonline in 4 simple steps! If you haven't yet done so, please click on the link below to sign up TODAY!**
