Combined points earned by both teams from each school will determine Gold, Silver, and Bronze standings. With a limit on how many students can be on each team, we will have tryouts during school hours starting November 9th. and only those who are selected will attend. Practices will also be during school time. Please use schoolcash to provide consent for your child to attend.

We look forward to a fun afternoon of soccer, sportsmanship, and collaboration among our traditional schools. Please let us know if you have any questions (tina.howe@abbyschools.ca).

Thank you,

Mrs. Howe
